About Rodenstock

The Rodenstock Group is an international innovation leader and manufacturer of spectacle lenses in the eye health sector. This is driven by our philosophy "B.I.G. VISION FOR ALL – Biometric Intelligent Glasses" for a paradigm shift in bespoke varifocal lenses. The medical technology company, founded in 1877 and headquartered in Munich (Germany), employs around 4,100 people worldwide, maintains five central production facilities and is represented by sales offices and distribution partners in more than 85 countries. Due to the combination of German brand quality, technical innovation and global growth, you will find a wide range of work with a good deal of freedom for new ideas and your own personal development at Rodenstock.
