

Do you regard freedom as an opportunity to do something new? Do you say what you think, and do what you say? Does success drive you to take on new challenges and overcome them with passion? Then Rodenstock is just the place for you!

ADVISOR TO THE CEO / THE MANAGEMENT (M/F/X)

Your responsibilities

- Support of the Chief Executive Officer (CEO) and the management in all conceptual and strategic issues incl. the preparation of plans
- Information research, analysis as well as data preparation at the highest level
- Assessment of opportunities and risks of business transactions with a special focus on the realisation of long-term corporate goals, value enhancement and mergers & acquisitions
- Management and implementation of cross-divisional international projects of the management as well as PMO function
- Definition and optimisation of processes and structures up to the preparation of recommendations for action

Your profile

- Degree in business administration
- Several years of professional experience as a strategic consultant in an international, private equity-led organisation or a management consultancy, ideally with assignments abroad
- Experience in cross-functional project management in the control, coordination as well as prioritisation of activities for the company's development
- Confident working with MS Office
- Fluent in business English and German as well as other optional foreign languages
- Very independent, dynamic and highly-motivated team player with strong, intercultural competence
- Strategic-entrepreneurial understanding as well as excellent, cross-functional communication across all levels
- Ability to get the job done in cases of urgency, and also presentation skills

About Rodenstock

The Rodenstock Group is an international innovation leader and manufacturer of spectacle lenses in the eye health sector. This is driven by our philosophy "B.I.G. VISION FOR ALL – Biometric Intelligent Glasses" for a paradigm shift in bespoke varifocal lenses. The medical technology company, founded in 1877 and headquartered in Munich (Germany), employs around 4,100 people worldwide, maintains five central production facilities and is represented by sales offices and distribution partners in more than 85 countries. Due to the combination of German brand quality, technical innovation and global growth, you will find a wide range of work with a good deal of freedom for new ideas and your own personal development at Rodenstock.
